

# Earn & grow with us

## Are you an experienced soft-asset Sales Manager?

---

Due to unprecedented growth and a successful trajectory set on the outlook, we're now expanding our Vendor Finance team.

### Roles to suit your industry interests

Continue to target your preferred industries or take the chance to break into new markets. We lend in all sectors, so are open to discuss your experience and preferences.

### Tempting package

We're offering a competitive package with uncapped earning potential and an array of benefits. Simply get in contact for a confidential and informal talk about the role and package.

### Flexible to your location

With innovation at our heart, we can support remote workers capably. We are recruiting for Sales Managers in either office or field-based roles across the UK, so we're flexible to you.

- **Committed to UK SMEs**

Throughout the pandemic, Shire continued onboarding new vendors and continued funding UK SMEs across all business sectors.

- **Innovative Fintech**

While others paused and waited, we have invested further in the development of our Fintech solutions to offer vendors speed and ease.

- **£150m+ Own Book**

Our Own Book continues to grow and reach new milestones, giving us the flexibility to tailor unique schemes and deliver competitive rates.

- **Top Independent Lessor of the Year**

Recognising how Shire tackled the challenges of 2021 and pursued new opportunities, our team proudly won this award.
